

Allergies Policy

Written August 2018

Information provided by parents on registration form will be shared with all staff, verbally and on the allergy list which will be stowed in the front of each register.

A full allergy risk assessment, noting which children have allergies must be reviewed monthly with information added as it is relevant, this information will be shared with all staff on a need to know basis at monthly staff meeting.

If an allergic reaction happens at nursery a member of staff will administer the appropriate treatment and the parents will be immediately informed.

If the reaction is severe immediately seek medical assistance by calling for an ambulance.
